

CHILDREN'S ACTIVITY CAMPS 2024

The Children's Activity Camps are weeklong, half-day camps for children ages five to 12. A variety of different sports and activities are offered to provide children with an opportunity to learn new skills in a safe, fun, non-competitive environment. The emphasis in the camps is to have fun, meet other children and be physically active.

Participants may register in either a morning or an afternoon camp, or they may register in both if they wish to stay for a full day of activity. We also offer an extended hours program where children are supervised.

Lunch supervision is provided for children staying all day. Please note although lunch supervision is provided, children must bring their own lunch.
