

Campus Recreation football Information

Thank you for your registration with Campus Recreation touch football program.

Please note that during this global pandemic football sessions are different from in previous years. The need to adhere to these rules is paramount in continuing to participate in the program. Failure to do so not only jeopardizes other patron's health and ability to participate but will also result in immediate expulsion from the program.

- Student participants entering the playing area will be met by an On Site Supervisor (OSS) on the east side of the field entrance (green x).
- Participants are required to arrive at the playing field no more than 10 minutes before their scheduled game time.
- Players will exit on the west side of the playing field (indicated by blue x).
- Students are encouraged not to bring bags and personal items but should they require, bags will be placed 6 feet apart along the sidelines of the playing surface.

Students MUST:

- Conduct their activities with physical distancing in mind. Stay 6 feet apart at all times.
- Acknowledge that participation in the scheduled session for the touch football program does NOT permit you access to any other USask rec facilities.
- Adhere to the policy that change rooms are NOT accessible
- Come changed and ready for activity as change rooms are not available
- Sanitize hands prior to entering the physical activity space
- Arrive at your session no earlier than 10 minutes prior to starting and exit immediately after the session has ended
