

USask Rec – Registration Guide

To register visit [College of Kinesiology - University of Saskatchewan \(usask.ca\)](http://College of Kinesiology - University of Saskatchewan (usask.ca)) and sign in at the top right hand corner of the page. See screenshot below.

Once you have signed into the Beactive website, please follow the below steps to register in your desired program(s):

- On the left-hand side under the heading “Programs” there are 2 categories to filter through (“Classifications” and “Tags”)
 - Classification – the program that you would like to register in (e.g., Swim Lessons or Sport and Activity Camps)
 - Tags – refine your search in a particular category (e.g., Aquatics – Kids (6-12 years old), Aquatics – Preschool (4 months to 5 years old), etc.)
- PLEASE NOTE: you can select more than one Classification and Tag. If you have selected a Classification and Tag and wish to select another one, please “unclick” the Classification or Tag you previously had selected.

Further Instructions for Swim Lessons

Due to the number of aquatics programs, we offer, the following tips may be of use in registering for aquatics programming:

- Lessons are offered in 8, 9, or 10 lesson sets. This is helpful in searching lessons.
 - 8 lessons are only offered in February Break, Easter Break, April, Spring and Summer during the short weeks (July 2nd -5th and August 6th -9th)
 - Lessons are offered at the PAC or Education pools. Education lessons will be listed first on the page, with PAC lessons following.
