Select the Desired League

After logging into the App, the user will be taken to the Home screen. In this screen, they can browse activities and search for leagues. To begin registration for a league:

1. Select the card with the desired league.

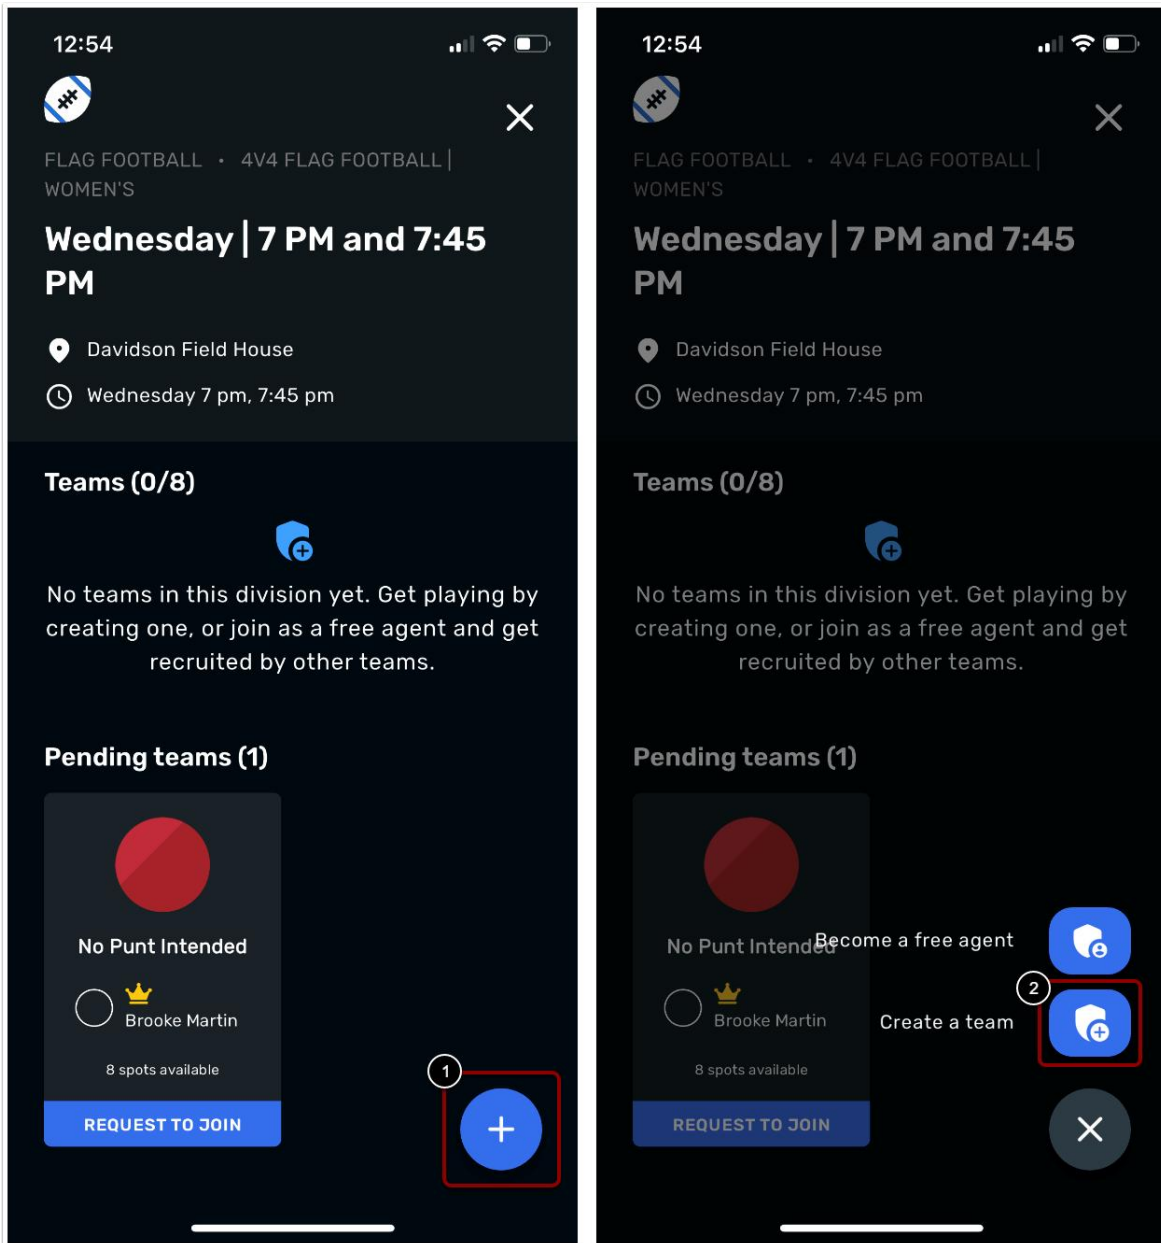

Select the Desired Division

After selecting a League, you will be directed to the League page. You can view additional League information, as well as select your desired Division. To select the Division:

1. Click the card of your desired Division.

Create a New Team

After selecting your desired Division, you will be directed to a screen that shows all teams in that Division. You have the option of Requesting to Join an existing team or creating a new team. To create a new team:

1. Click the **plus** button in the bottom right.
2. Click the **Create a team** icon.

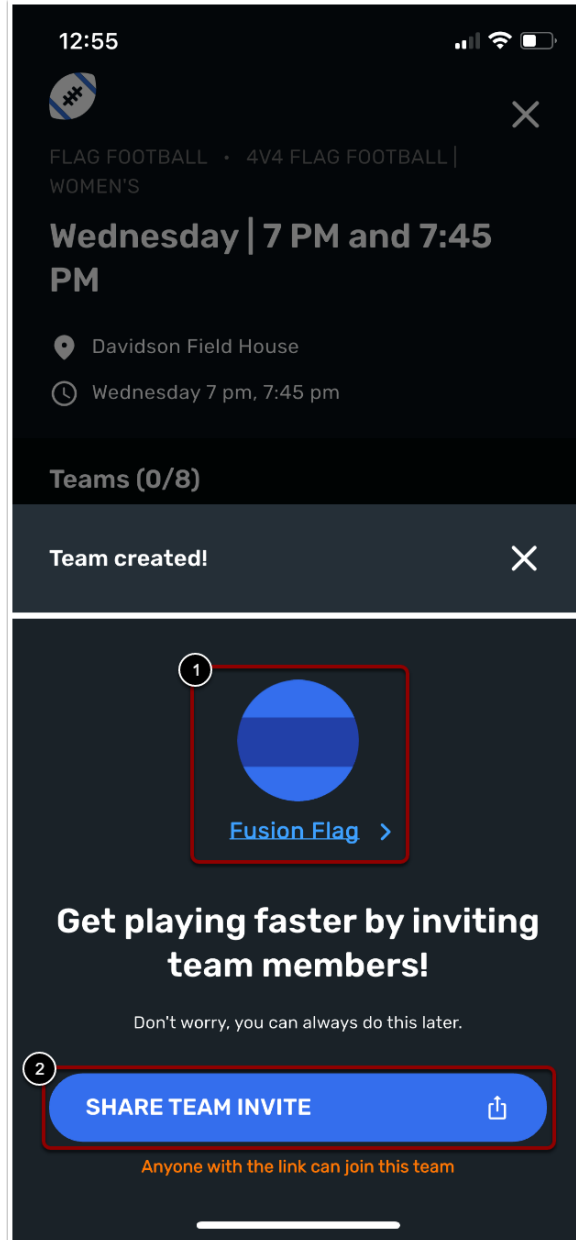

Enter Team Details

To enter Team Details:

1. Upload a team image. This is optional.
2. Enter a **Team Name**.
3. Select whether or not you are playing on the team. If you select No, you will still be able to manage the team, but you will not be counted as a player on the team. This means you cannot play or check in to games.
4. Select whether or not you want to allow free agents to join your team. Choosing "Yes" will tag your team as interested in free agents. This can be adjusted later.

5. Add a team description to show to other players who are looking for teams. This is optional.
6. Select **Create Your Team** to finish the registration process.

The Team Has Been Created

The team is created! After creating your team, you have the option to:

1. **View Team Page.** This will take you to your Team Page where you can view a Team Overview, your Roster, and your Schedule.
2. **Share Team Invite.** This will populate a link to send to folks you want to join your team.
