

USask Mask Policy
Updated August 23, 2021

Indoor mask requirement extended to December 31, 2021.

All faculty, staff, students, visitors and contractors are required to wear 3-ply single-use masks in all indoor spaces on USask campuses in Saskatoon, Regina and Prince Albert. [These guidelines](#) will remain in place until December 31 and be reviewed on an ongoing basis. Any changes will be communicated with the campus community.

If you are entering the Physical Activity Complex or Education Building for recreation activity, you will be able to retrieve a 3-ply mask **free of charge** at the front desk. We ask that you please wear your own mask indoors until you can retrieve the provided 3-ply mask.

Masks are not required in outdoor locations on all USask campuses, except for prescribed activities, like Kids Camps, for example.

Single-use mask recycling stations have been set up across campus to minimize the environmental impact of using 3-ply single-use masks, keeping them out of the landfill. A complete list of mask recycling stations is available [here](#).
